THANK YOU

We would like to say a huge thank you to everyone for helping us to ensure that the reopening of nursery went so smoothly. The children have settled into the new set up really well; it has been lovely to hear the nursery full of the sounds of children playing again. We have worked really hard to ensure that everyone is as safe as possible and we want to thank you for supporting us in this.

Thank you, as well, to the parents/carers whose children did not get to return to nursery this term - we are sorry we could not offer a space for all children (due to Government restrictions) and we thank you for your understanding with this.

Goodbyes

It is with great sadness that we say goodbye to two members of staff this summer.

Mrs Heath is leaving us after 45 years as the Bursar/Business Manager. As you can imagine she has seen many families, staff and changes throughout those years; she could definitely write a book about all of those memories! It really won't be the same place without her - but we wish her well as she enjoys a bit more time to relax! We will miss you.

Miss Newton will also be leaving us this summer - she has been part of Blagdon for many years first as a parent, then as an apprentice and now as a qualified keyworker. We wish her well as she moves on to a new school - we know she will be great! We will miss you.

Thank you to everyone who submitted a design.

Tapestry

If your child is leaving Blagdon this summer you will now be able to access their leavers' report. It is not possible to view this on the App, but you can if you logon to Tapestry on the internet.

If your child is leaving Blagdon, from July 13th you will be able to access a PDF version of your child's journal that you can download and either print or save electronically.

Thank you to all the families who have been keeping their child's Tapestry full of pictures of the activities they have been up to during the lockdown. It has been lovely to see.

Wishing you all a wonderful and safe summer
