Welcome

Welcome to all the new children and families who have started Blagdon this term; the children have settled really well and it is lovely to see them exploring their new environment. A number of children have also moved from Willows to Blagdon; again it has been lovely to see them settle so well; and those that have gone from part time to full time have coped so well.

Starting School

We are about to enter our last term of this year and this means that our older children will be moving on to Primary School in September. Towards the end of next term we will be exploring the feelings they might feel, exploring school uniforms and looking at photos or websites of the schools they are going to.

Mrs Craigie had been visiting local schools and we are hoping to have some staff in from local schools to visit the children. This will be done in a COVID secure way where those staff will wear a face covering and will keep a social distance.

If you have any questions or worries about starting school you can either speak to your child's keyworker or ask to speak to Mrs Craigie.

DON'T FORGET

Friday 28th May is an INSET day so **nursery is closed.**

Monday 7th June is also an INSET day so **nursery is closed.**

Children return to nursery on **Tuesday 8th June.**

Have a wonderful half term and enjoy the sunshine safely.

Coronavirus

We are still ensuring that we take measures to keep everyone as safe as possible at nursery; we continue to follow an enhanced cleaning schedule, staff carry out LFD tests twice a week, we wash hands frequently and we ask adult visitors to wear coverings when they are on site. You can find a copy of our COVID risk assessment on our website homepage.
