

Blagdon Nursery School

School closure Policy for Blagdon Nursery School

Aims

We aim to keep Blagdon Nursery School open on all the days that are listed in our literature. However under exceptional circumstances it may necessary to close all or part of the Centre, for health and safety reasons. These may include:

- Extreme weather conditions which make the site inaccessible or unsafe
- A epidemic or pandemic which puts children and adults at risk
- A malfunction of one of the utilities which impairs the working conditions on the site (for example no water, electricity or heating)
- Insufficient staff being able to be on site to maintain safe ratios
- A directive from Reading Borough Council to shut the site for whatever reason

Should the Governors and senior management team make a decision for a temporary closure; parents will be informed as soon as possible through one or more of the following:

- Text messaging,
- Announcement on our website
- Local radio announcements
- Individual telephone calls

It is the aim of the Governors and senior management team to return to normal working as soon as possible.
