

New Bridge Nursery School

Newsletter

Term 3 2024

We hope you all had a good break and enjoyed the festivities. We would like to especially welcome the new families joining us this term. If you have any questions, please do not hesitate to ask any of the team. If they cannot help, they will know who can.

Staffing

We are pleased to welcome back Mel who has now joined us as a permanent member of the team.

Maths Workshop for Parents and Carers-22nd February 11:30am and 2:30pm

Saliha will be covering:

- the stages of children's counting and how to include this in daily life.
- how to explore shapes, sizes and measures while walking, shopping and cooking.
- explore what subitising is.
- there will also be a chance at the end to ask any questions you have about your child's maths skills.
- please let us know you are joining us by popping into the office, or giving us a call on 0118 937 5580

Fundraising

Thank you all so much for your support in helping to raise much needed funds for the

nursery. This helps to go towards exciting experiences for the children along with additional resources for them. Last term the children very much enjoyed the visit from the Farms2Ewe. This term we have Feather and Fur visiting, giving the children the opportunity to

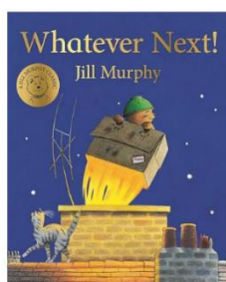

get up close to owls and other birds of prey in a safe environment. This has been planned as part of our spiral curriculum revisiting previous learning.

Focus Stories

This term focus stories are: Whatever Next and The Gingerbread Man

We will also be sharing recordings of some members of the team reading our focus stories for you to share with your children. If you would be happy to share a recording of you reading a story in English or any other language please let us know. Children benefit greatly from hearing a variety of people read and, in many languages, and also enjoy hearing and sharing their first language with others.

Dropping and collecting your child

Rainbow Class

- Please can you support your child to hang their own coat, find their name card and put on their water bottle before handing them to a staff member at the door, ensuring your child has been escorted into the middle room before leaving them. For safeguarding reasons please do not enter the middle room. When collecting your children, we are asking for parents to come in and form a queue and we will hand over each child in turn. You will then be able to collect their belongings and head off.
- Please arrive on time, however. if you are late to drop off, please go to reception. You will be asked to wait until a staff member is free to collect your child, as this can cause a lot of disruption to the other children's learning.

Snowflake Class - Drop off please come inside the gate and make your way to the main reception. Please collect your children from the yellow garden gate in the car park.

If Your Child Is Unwell

If your child is unwell or not coming to nursery for any reason, please call the office or leave a message on the answer phone. We have a duty of care to follow up any absences on the first day so please do make this call.

Donations

We are still accepting and are very appreciative of your weekly fruit and monetary donations. £1 per week or £10 per term towards toys and materials for the children.

You can pop cash into the piggy bank in the classroom or send money through into our fund-raising bank account: **Sort Code 30-99-50 Account number: 19123163**

What to bring to nursery - Please ensure all clothes and belongings are clearly named in a ruck sack or cloth bag. **NO PLASTIC CARRIER BAGS PLEASE.** This is for safety and ecological reasons. Wet bags are an easy way to store wet/dirty clothes. They are a reusable, waterproof and leak resistant bag that zips shut to help keep odours (and liquids) from escaping.

- Water bottle - this will go home each day (please only fill with water)
- Wellington boots - to leave at nursery
- A warm water proof jacket and trousers (or all in one) - to leave at nursery
- Hat, scarf and gloves
- Nappies and wipes (if applicable)
- Spare clothes - including underwear and plenty of socks
-

Please **DO NOT** put toys, food, medication, creams or any other items not listed above in your child's bag.

Reminders

Lunch boxes

- We have a staff member and child with severe nut allergies - **please DO NOT pack anything containing nuts** in your child's lunch box. Please note: nuts are often hidden in foods such as spreads, sauces and chocolate, so please check food labels.
- Please chop foods such as grapes, cherry tomatoes and sausages
- Please do not put smoothies or juices in your child's lunch box we provide water for lunch times.

Celebrations

- If you are celebrating any festivals or special occasions at home please let us know so we can share this at Nursery
- Please read and like our weekly Curriculum Catch Up- this gives you a really good insight to what the children are learning and what you can do at home to support this.
- Remember to share your home learning with us on Tapestry. The children very much enjoy showing their friends and team.

2yr old provision

- We are making plans to make some small adaptations to the nursery in preparation for children joining us the term after their 2nd birthday. This provision will be called Sunshine Class and will be open after Easter for the same hours that we are currently offering to our three-year olds. They will have their own area of the nursery to play and learn in. We will share more details with you soon.

Thank you, have a good term.

Jean - Head of School

Please find the diary dates for the year on pages 4 and 5. These maybe subject to change.
